THE

LUSSO LIGHT

COLLECTION

Our exclusive Lusso Light material is a durable, smooth, and seamless acrylic carefully crafted for longevity. After years of development and refinement, this innovative and lightweight material mirrors the luxury design and reassuring thickness of our natural stone pieces. The Lusso Light Collection consists of designs suited to both traditional and contemporary interiors. Available in polished and matte finishes, the soft white hue of each design is a versatile match for all colour palettes.

FELLINI

FREESTANDING BATH 1700MM

The Lusso Light Fellini Freestanding Bath is a beautiful addition to your bathroom. Crafted from smooth acrylic, the tub emulates the look and feel of our flawless stone, available in either a matte or polished finish.

The design of the Fellini bath offers a dynamic shape, with sweeping curvaceous silhouette and a curved lip to the top. The spacious tub has generous depth, a timeless shape and an elegant aesthetic to fit into any interior. With a weight of 45 kg - significantly lighter than the average stone bath - it is simple to install and a perfect alternative for those searching for a piece that echoes the look and feel of a stone bath, only lighter.
